

Highland Park

RESIDENTIAL PLOTS TO BUILD

MASTER PLAN

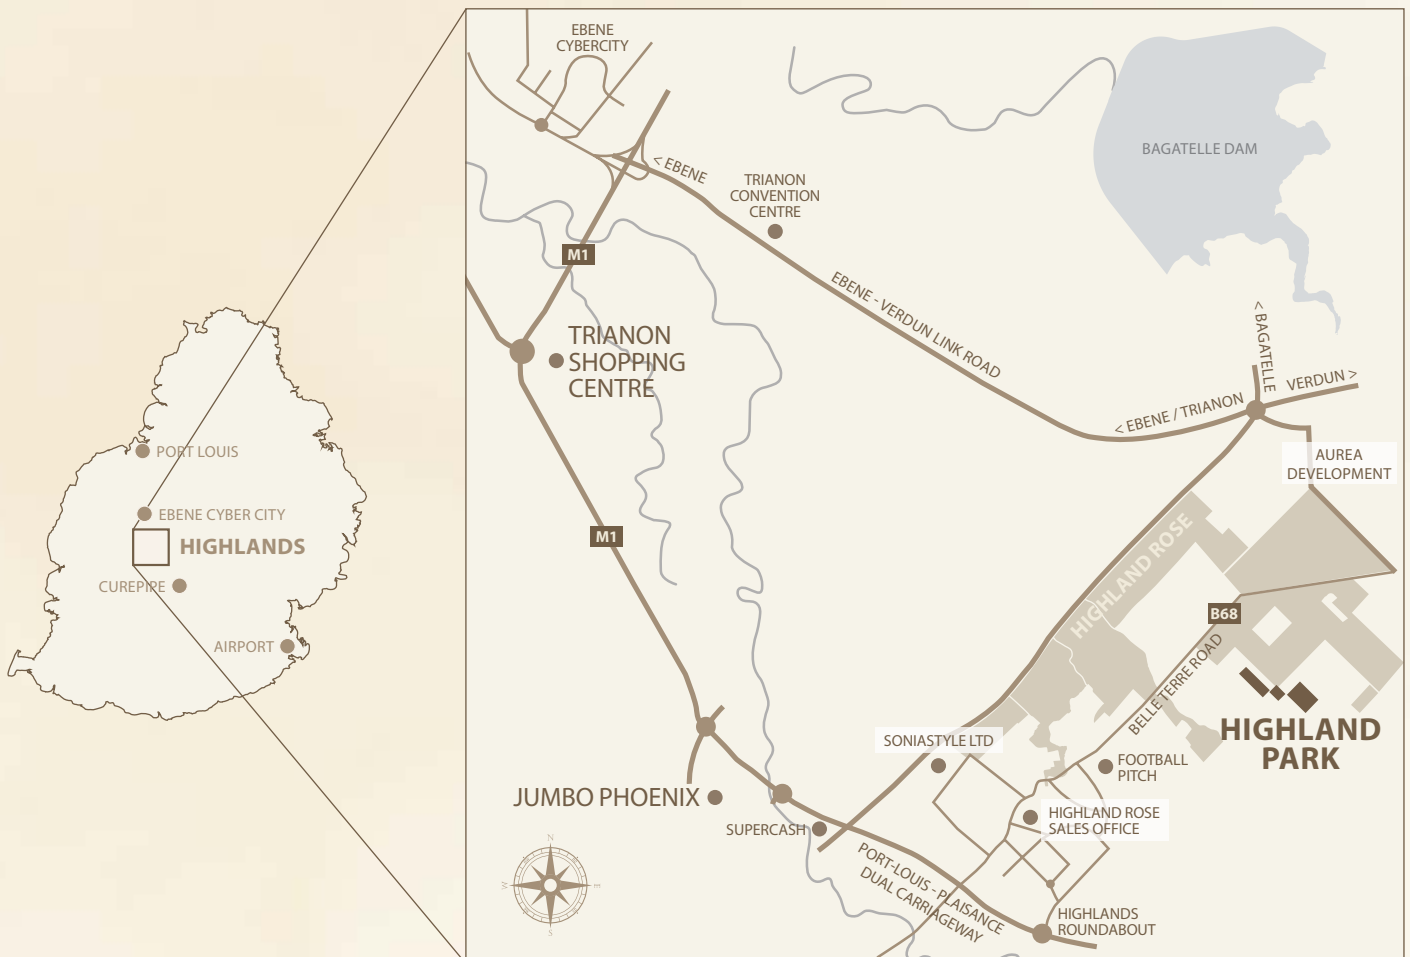

BUILD YOUR IDEAL DREAM HOME

Situated at Highlands, next to the landmark morcellement Highland Rose, the proposed project named Highland Park features 58 residential units each covering an average of 374m². Highland Park is located next to a two acre greenspace providing a sense of arrival to the project and ensuring the tranquil setting of the development. Designed under the regime of "copropriété horizontale", Highland Park will be regulated by modern yet flexible architectural guidelines to ensure a comfortable and convenient living experience.

Architectural plans within the specifications of the 'cahier des charges' are also offered.

Highland Park

CENTRAL CITY LIVING AT ITS FINEST

Highland Park is strategically located 1.5 km south of the Bagatelle round about providing direct connections to the Ebene Cybercity and Bagatelle. Amenities such as shopping malls, cinemas and restaurants as well as the Highlands wellness park are only 10 minutes away. The project's excellent location coupled with accessibility to motorways make Highland Park the ideal location for a vibrant yet peaceful lifestyle.

STRATEGIC INVESTMENT

The promoters of Highland Rose are undertaking the development of Highland Park, fully aware of the project's potential not only as a truly exquisite place to live but also as an investment. With the buoyancy created by Highland Rose along with the neighbouring Smart City developments, Highland Park offers superb opportunity to combine lifestyle and income potential in an emerging area as from **MUR 1.9M**.
